

## **UNLOCKING YOUR CITY'S RENEWABLE ENERGY FUTURE – Play and learn with Leuven and Poreč**

*Webinar – 7<sup>th</sup> November 2024*

Increasing renewable energy deployment is a priority for many municipalities. By working together with energy communities, they can become greener but also ensure that their citizens benefit from it. Join this webinar to learn through play how the cities of Porec – Parenzo (Croatia) and Leuven (Belgium) are supporting community energy projects and involving their inhabitants in their transition.
